### Need of the new CBSE School

Recognizing the growing preference for CBSE education among parents, MVPM is excited to announce a new project: the establishment of a premier CBSE school in Solapur. While our existing state board-affiliated schools continue to excel, this new initiative aims to provide the best education to meet contemporary demands. We have secured a prime 2.5-acre land parcel from a Mandir trust on a favorable 30-year lease. MVPM will develop this land, building a state-of-the-art educational institution designed by a renowned architect. With all necessary government permissions in progress, we are committed to creating one of the finest schools in Solapur, ensuring our students receive top-tier education in a world-class environment.
